ARTICLE XXVI. DANGEROUS AND POTENTIALLY DANGEROUS DOGS.

Section 1. Findings.

- (a) Dangerous dogs have become a serious and widespread threat to the safety and welfare of citizens and domestic animals of this County. In recent years, dogs have assaulted without provocation and seriously injured numerous individuals, particularly children, and have killed other animals. Many of these attacks have occurred in public places.
- (b) The number and severity of these attacks are often attributable to the failure of owners to confine and properly control dangerous and potentially dangerous dogs.
- (c) The necessity for the regulation and control of dangerous and potentially dangerous dogs is a countywide problem, requiring regulation, and existing laws are inadequate to deal with the threat to public health and safety posed by dangerous and potentially dangerous dogs.

Section 2. Citation for Designation of Dangerous Dog or Potentially Dangerous Dog; Hearing; Designation of Dangerous Dog or Potentially Dangerous Dog; Imposition of Conditions; No Change of Ownership Pending Hearing.

- (a) If an Animal Control Officer or a law enforcement officer has investigated and determined that there is probable cause to believe that a dog is potentially dangerous or dangerous, a citation shall be issued for the owner to appear in General Sessions for the purpose of determining whether or not the dog in question should be designated as a potentially dangerous or dangerous dog. Except by agreement of the respondent and counsel for the County and with approval of the judge, the hearing shall be held not less than five (5) nor more than fifteen (15) business days after service of citation upon the owner or keeper of the dog.
- (b) The Court shall designate a dog as a “potentially dangerous dog” if the Court finds, upon a preponderance of the evidence, that the dog:
 - (1) Has, within the prior 18-month period while off the property of its owner, attempted to attack or has attacked a person, domestic animal or livestock; or
 - (2) Has, within the prior 18-month period while off the property of its owner, engaged in any behavior when unprovoked that reasonably would have required a person to take a defensive action to prevent bodily injury; or
 - (3) Has, when unprovoked while off the property of its owner, bitten a person or a domestic animal causing a minor injury.
- (c) The Court shall designate a dog as a “dangerous dog” if the Court finds, upon a preponderance of the evidence, that the dog:
 - (1) Has attempted to attack or has attacked a person or domestic animal on two or more occasions within the prior 18-month period; or
 - (2) Has, on two (2) or more occasions within the prior 18-month period while off the property of its owner, engaged in any behavior when unprovoked that reasonably would have required a person to take defensive action to prevent bodily injury; or

- (3) Has, when unprovoked while off the property of its owner, bitten a person or a domestic animal causing a severe injury; or
 - (4) Has previously been declared a potentially dangerous dog but has not been kept in compliance with any restrictions placed by the General Sessions Court judge upon the owner of such dog; or
 - (5) Has been owned, possessed, kept, used or trained in violation of Tennessee Code Annotated §39-14-203; or
 - (6) If two or more dogs jointly engage in any conduct described in this section, thus rendering proof of the individual dog that inflicted the particular injury difficult to ascertain, then regardless of the degree of participation by the individual dog(s), all such dogs shall be deemed dangerous dogs.
- (d) No dog may be declared potentially dangerous or dangerous as a result of injury or damage if, at the time of injury or damage, the victim of the injury or damage (1) was committing a willful trespass or other tort upon premises occupied by the owner or keeper of the dog; (2) was teasing, tormenting, abusing or assaulting the dog; or (3) was committing or attempting to commit a crime. No dog may be declared potentially dangerous or dangerous if the dog was protecting or defending a person within the immediate vicinity of the dog from an unjustified attack. No dog may be declared potentially dangerous or dangerous if an injury or damage was sustained by a domestic animal, which, at the time of the injury or damage, was teasing, tormenting, abusing or assaulting the dog. No dog may be declared potentially dangerous or dangerous if injury or damage to a domestic animal was sustained while the dog was working as a hunting dog, herding dog or predator control dog on the property of, or under the control of, its owner or keeper, and the damage or injury was appropriate to the work of the dog.
- (e) Upon designating a dog as a dangerous dog or a potentially dangerous dog, the Court shall impose the restrictions on the owner of such dog as set forth in this Act and may impose such additional restrictions on the respondent as are appropriate under the circumstances of the case. The Court shall reduce such restrictions to writing and have them served on the respondent.
- (f) It shall be unlawful for any person who is subject to any such restrictions to fail to comply with such restrictions.
- (g) It shall be unlawful for any person who has been served with a citation to appear in General Sessions Court for the purpose of determining whether such person's dog should be designated as a potentially dangerous dog or dangerous dog to transfer ownership of such dog until after the Court has issued a ruling on such citation. It shall be unlawful for any person whose dog has been designated as a potentially dangerous dog or dangerous dog to transfer ownership of such dog to another person without (1) having advised such other person that the dog has been designated as a potentially dangerous dog or dangerous dog; and (2) having advised such other person in writing of the restrictions that have been placed upon such dog.

Section 3. Notice of Designation.

Within ten (10) working days after a hearing conducted pursuant to this Act, the owner or keeper of the dog, if absent from the hearing, shall be notified by the Court in writing of the decision of the Court and of any restrictions imposed upon the respondent, either personally through Warren County Animal Control or

by first-class mail, postage prepaid. If a dog is declared to be potentially dangerous or dangerous, the owner or keeper shall comply with all restrictions imposed by this Act and by the Court.

Section 4. Impoundment and Abatement of Potentially Dangerous Dog or Dangerous Dog.

- (a) If upon investigation it is determined by the Animal Control Officer or law enforcement officer that probable cause exists to believe a dog poses an immediate threat to public safety, then the Animal Control Officer or law enforcement officer may immediately seize and impound the dog pending a hearing to be held pursuant to this article. At the time of an impoundment pursuant to this subsection or as soon as practicable thereafter, the officer shall serve upon the owner or custodian of the dog a notice of hearing to be held pursuant to this article to declare the dog dangerous or potentially dangerous.
- (b) Any Animal Control Officer may impound any potentially dangerous dog or dangerous dog if the Animal Control Officer has reasonable cause to believe that any of the mandatory restrictions upon such dog are not being followed if the failure to follow such restrictions would likely result in a threat to public safety. The owner or custodian of a potentially dangerous dog or dangerous dog shall surrender such a dog to any Animal Control Officer or law enforcement officer upon demand. In the event such dog is impounded, the Animal Control Officer shall serve a citation upon the owner of such dog for violation of the provisions of this chapter.
- (c) If a dog has been impounded pursuant to subsection (a) or subsection (b), the Animal Control Director may permit the dog to be confined at the owner's expense in a veterinary facility pending a hearing pursuant to this chapter, provided that such confinement will ensure the public safety.
- (d) No dog that has been designated by the Court as a dangerous dog or potentially dangerous dog may be released by Warren County Animal Control or a veterinarian until the owner has paid all veterinarian costs and all other fees and costs of Warren County Animal Control that are normally charged to an owner prior to redemption of the animal. If the owner fails to pay such fees and costs and take possession of the dog within ten (10) days of the owner's receipt of notice of the designation of the dog as a dangerous dog or potentially dangerous dog, the dog shall be deemed to have been abandoned and may be disposed of by Warren County Animal Control. Euthanasia or surrender to Warren County Animal Control of such a dog does not free the owner of responsibility for all costs incurred up to and including the date of euthanasia or surrender.

Section 5. Possession Unlawful without Proper Restraint; Failure to Comply with Mandatory Restrictions.

It is unlawful for a person to have the custody of or own or possess a potentially dangerous dog or dangerous dog that is not properly restrained. It is unlawful for a person to have the custody of or own or possess a potentially dangerous dog or dangerous dog unless such person is in full compliance with all restrictions placed upon such person by the Court that has designated such dog as a potentially dangerous dog or dangerous dog.

Section 6. Mandatory Restrictions on Potentially Dangerous Dogs.

Once the General Sessions Court designates the dog as a potentially dangerous dog, the following shall be restrictions that are mandatory upon the owner or custodian of such dog:

- (a) The dog must be kept indoors or confined on the owner's or keeper's property by a fence (other than an "electronic fence") capable of confining the dog or by a proper enclosure;
- (b) The owner must allow inspection of the dog and its enclosure by Warren County Animal Control and must produce, upon demand, proof of compliance with such restrictions.
- (c) In the event that the owner or custodian of the dog is a tenant on real property where the dog is being kept, the owner or custodian must obtain written permission, to be filed with Warren County Animal Control, to keep the dog on certain specified premises from the landlord or property owner;
